

Today, in this post, we'll be taking a quick break off writing and like we would be doing every now and then henceforth, we'll start with this man, a student of UNIVERSITY OF BENIN studying Chemistry but with a burning passion for biro drawings and he dabbles with some other forms of art too, like spoken word poetry.

Going through his timeline had me relishing some of his artworks for they tell a whole lot, below are some of them, and you'd see the handle to his instagram profile where you can check out more of his pieces.
