

What if I ask you about your father?

"I once asked my friend to tell me about his dad; afterward, it dawned on him that, that is one of the most difficult questions he's ever had to answer & it's not because he didn't have what to say.

This is an ode!

Maybe not for Fathers Day. But it is for Father's Day."

#myfatherhastwolives is the first audio, coming after the release of Ola's #socialwork album, in January.

You can connect with him @olaadene on major social media platforms.
