

I am ET Godspower, a native of Bayelsa State, Nigeria. I do spoken word poetry professionally and this is my excerpt for the Nigerian elections.

[Download The Elections \(mp3\)](#)

Godspower is not a newbie to the scene and not a new entry on Beta Yarn¹, from the days of before [Broken](#), he has been and is still giving the game to poet all over the nation. The leader of the [Triggers United](#), he has made his mark and is still marking. -Cirphrank

Footnote Title

Footnote Description

¹Beta Yarn

Great Discuss. Beta has a little twist to it in this context, taking on the greek meaning and the pidgin meaning in line with how it is spoken by the natives of Nigerian. Yarn on the other hand purely derives its meaning from pidgin here, meaning to talk/gist.
